OFFICE OF THE  
SUPERINTENDENT

Greetings Warren County Families,

I hope everyone is well. I want to provide an update on the upcoming school year. As you can imagine, a tremendous amount of thought and planning has gone into the reopening plan for our students. We have progressed through the development of our plan with guidance from the Virginia Department of Health (VDH) and the Virginia Department of Education (VDOE).

As I noted when presenting our plan to the School Board last night, it is possible that adjustments will be made to our plan as we receive new information and guidance as the COVID-19 pandemic continues to evolve. This year will require the entire school community to be flexible and patient as the school year progresses.

The WCPS Reopening and Instructional plan can be found on our website along with the WCPS Health Plan (<https://www.wcps.k12.va.us/index.php/parents/wcps-re-opening-options>). Your child's school will be communicating with you concerning specifics about school life and what it will look like for your child. They will also provide information concerning dates, schedules, processes, and expectations. We are excited to begin the educational process once more.

This year will provide many challenges for everyone and you can trust that we will do our best to serve each and every child.

Sincerely,

Chris Ballenger, Ed.D.  
Superintendent
