SUPERINTENDENT

To: Building Principals

Re: Handwashing

Please disseminate this “handwashing” information to the teachers and assistants in your building. It would be a real benefit to our students and community if they could share this information regularly with our student body. Our custodial and maintenance staff are working around the clock to keep our building clean and prevent the spread of germs. We all can do our part. Together, we can help keep our schools in great shape. If you have any questions, please call me at 540-635-2725.

Thank you,

Michael E. Hirsch, Ed.S
Director of Special Services
