OFFICE OF THE
DIRECTOR, SPECIAL SERVICES

March 9, 2020

Dear Parents,

As you know, it is flu season and we are experiencing concern over COVID-19. On the back of this sheet are hygiene tips you can share with your children to help us keep Warren County Public Schools healthy. WCPS is taking every precaution to keep our schools and buses clean. The custodial and maintenance staff are working diligently to sanitize our buildings every night. They are doing a great job!

We need your help too. If you review the information on the back of this sheet with your child, it would help to try to reduce spreading any illnesses within our schools and our community.

As always, if you have any questions please do not hesitate to call Special Services at 540-635-2725.

Sincerely,

Michael E. Hirsch, Ed.S
Director of Special Services
